end of man. They moditate and dreem upon it Nothing but ruling is respectable. Americans must rule, and somebody must be ruled to gratify the slaves should descend to 5them, under the case of property of the slaves should descend to 5them, under the case of property of the slaves should descend to 5them, under the case of property of the slaves should descend to 5them, under the the desire for raling. There is a charm in the belief, expressed in the will, that they would be id a of office inesistible to these new Americans. They have cast longing eyes at official station so rused, than in a distant land where they might long that it has grown into a matia, for effice has a smack of ruling about it. Every office holder must rule something, and thereby get a taste of the chief good of man. Some American have heretofore thought that the small ruling of the purity of my motives in the performance of a has been exterted and wrong from the purity of my motives in the performance of the purity of my motives in the performance of a has been exterted and wrong from the purity of my motives in the performance of the purity of my motives in the performance. of a mail offices was n very small business; that it was mere drudgery, that they would prefer having a man to do, rather than to do it themselves.

Of a high public trust.

As the grath compelled me to negative the institution so offensively made by the senator from Uhio, Gol facb d that I should be under-Indeed, the theory of office holding is that of service drudgery, and some Americans regard the theory as a practical reality. They regard the theory as a practical reality. They regard as life shall last—and I shall clier in with religand exercise it; and only appoint men to rule place my enemies, who so ruthlessly invade the Yours truly, SAMUEL B. SMITH. very respectable business at best.

The farmer behind his plow, the mechanic in his country to come the favor to believe that I have no wish, no aspiration, to be considered puter or better thin she who was, or they who are, slaveholders. Sir, whenever my

his chop, and the merchant is his counting room, assailants shell refuse to accept a like amount of They hire a force to attend to the protection of his person and property, whilst each is lord of his own premises. He would consider it idle to envy the man's employment who respects the streets he walks upon, or who watches his property at midnight. But the new order have reversed the theory

and the practice, and wish to elevate the business of raling into the great business of life. It sounds at once a note of jubilee and of defiance is only fit for Americans. These foreigners are unfit to rule; because ruling a above the ordinary business of life, and is fit only for Americany business of life, and life business of life, and life business of life busi

Why shouldn't a foreigner hold effice? Is port tefore these lines are printed, brings on the business so highly clevated above human board a new regiment, coming to augment the effairs generally, that nothing but a native can be allowed to enter its sacred precinets? Forciguers can engage in manufactures, merchanand more still on account of what is afterwards disc—can held property, can engage in profes-sional employments or trades, but he must not and others, dispatched with all the expectation take a hand even in catching rogues or supervi that the circumstances of the case dictate

sing streets, for that involves ruling somebody.

A party with such rotions of office and of ruling styles itself American. It is pseuliarly all praise for its brilliant condition, and the en-American in its estimation. It is so fend of ruling that it has an organization shaped so as to exercise and grainfy its members in the great business. It has its degrees and order, its grand councile, and perhaps some Grand Mogul at its head, or grand councilities show how it is to be done. If they got hold of the government's wouldn't they rule with the vergeance, in the head, or grand councilities show how it is to be done. If they got hold of the government's wouldn't they rule with the vergeance, in the head, or grand councilities show how it is to be done. If they got hold of the government's wouldn't they rule with the vergeance, in the head, or grand councilities show how it is to be done. If they got hold of the government's wouldn't they rule with the vergeance, in the head, or grand councilities show how it is to be done. If they got hold of the government's wouldn't they rule with the vergeance, in the head, or grand councilities show how it is to be done. FOR SALE.

HENRY M. SMITH,

Sr. Loves, Nov. 14th, 1853. CHAS. W. STEVENS, M. D., Professor of Anatomy in the St. Louis Universit

Privace, June 8th, 1853.

I am using a pair of Mr. Sciomons' Glasses, and find them very comfortable. I cheerfully add my name to the number of those who recommend them.

JOS. P. GAZZAM, M. D.

Louisville, Oct. 23rd 1554
Mr. Selomons has farnished me with my first pair
of glasses. They appear to answer the purpose very
well, and octasion no uneasiness to the eyes when
used. The testimony of other medical gestlemen of
experience on the meiter, is very conclusive and firm
of these articles.

JOSH. K. FLINT,
Professor of Gineson, Ky. School of Medicina. Thave msdetrial, for a short time, of Mr. Solomons ilasses, and I sm much pleased with them; they reads stellon very distinct, and appear to intige the eye cathan the classes! have herelolory used. Those

rufficial aid in this respect, will do well to ca H. MILLER, Prof. Obstetics, University of Louisville. ose no accuracy to alleges.

Given nn. ' my band this 23d day of Oct., 1854.

Charles, Lonisville, Ky.

I have examined Mr. Sciences, Oct. 23d, 1854.
I have examined Mr. Sciences and as, hough I have been using spectacies for the last six ears, I find them superior to any I have need so far. Given under my hand the 53d day offect, 1851.
